## EXPERIENCE

### Student Graphic Arts Technician

*Vanier College, Montreal | Nov. 2018 - Present*

- Re-developing International Education booklet using Illustrator, Photoshop and InDesign.
- Creating new page layouts and overall design following style guide.
- Preparing all pictures for print.

### Freelance Graphic Designer

*VARA, Montreal | Oct. 2017 - Present*

- Illustrating artwork for hoodies, crewnecks, sweatpants and caps based on client's overall idea for Spring Collection.
- Following embroiderer manufacturing colour constraints using only three colours.
- Updating shopify website, editing pictures for site and re-creating new website layout and branding.

### Charcuterie Clerk & Cashier

*Fromagerie Des Nations Anjou, Montreal | July. 2016 - Present*

- Creating signs to advertise products that are on special for the week: therefore increasing weekly sales of the specific product.
- Rearranging window display based on colours and shapes of products.
- Taking and giving orders to customers. Adequately respond to customer questions and requests. Advise on the different products of my department.

### Cashier

*McDonald's, Montreal | May 2015 - Feb. 2016*
